

# Daniel Schneider

CPA, CFF, CFE, CIA | Manager

Daniel joined MDD Forensic Accountants in 2024. He is a manager at the firm's Chicago office.

Before joining MDD, Daniel provided financial consulting services to attorneys, executive management teams, and individuals in complex commercial litigation, forensic accounting, and fraud investigations, including Foreign Corrupt Practices Act (FCPA) investigations.

His experience includes providing opinions on economic damages, **business interruption** and **lost profits calculations** from a covered event or due to a wrongful act, **shareholder disputes**, lost earnings from **personal injury**, and tracing of assets.

He has been engaged across various industries, including **automotive**, **manufacturing**, **professional services**, **construction** & **transportation**.

He received his Bachelor of Science in Accounting from Iowa State University.
